WHAT MAKES A COMMERCIAL-GRADE CANOPY TENT?

Even a premium pop-up tent can look like *just* a pop-up tent to the untrained eye. Commercial-grade quality lies in the details of the tent's construction, the choice of build materials, and the added functionality of professional performance features.

BACKED BY COMPREHENSIVE SUPPORT

At Ecotent, we're so much more than an online retailer. We apply the same dedicated craftsmanship to our customer service that we do to building our commercial-grade canopy tents. Rely on our team for whatever need arises.

LIFETIME CUSTOMER CARE

Need help with a project or event set-up tips? Our Product Experts are here every step of the way.

IN-HOUSE GRAPHIC DESIGN

Dream it, and our Designers will make it happen. From product templates, artwork mockups, and double-checking print quality, we've got you covered.

FIX, DON'T REPLACE!

Ecotents are built to last. Why replace the whole tent when you can easily repair an individual part? Our Spare Parts Service continues our sustainability commitment while keeping your tent in action.

WARRANTIES & PROCARE

Our tents come with a Limited Lifetime Warranty covering any manufacturing defects. Want even more protection? Our ProCare Program extends your coverage to include weather damage, accidents, and even theft.

ECOTENT PARTNERSHIPS

Whether you're interested in referrals, affiliate opportunities, or reselling, we have a program designed to suit your business needs.
